SCOTLAND RAINMAKER AWARDS

The Rainmaker Awards are officially launching in Scotland.

We'll be bringing together the Scottish deals community to celebrate the best deals, teams and individuals from the past 12 months.

The Rainmaker Awards do things differently. We swap out the black-tie dress codes and long speeches for a vibrant evening focused entirely on the rainmaking community.

More importantly, this is an awards night with absolute integrity, the shortlist and winners are selected directly by the community itself through a peer-led shortlisting day and our strict "one firm, one vote" system.
